Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$0.00	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible ?	Not Applicable	Not Applicable
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$6,350 individual /\$12,700 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Dental copayments , expenses incurred out of network unless the Plan Administrator allows coverage at PPO rates provided an eligible person obtains prior authorization and the medical procedure is not available in the Las Vegas area, premiums , balance billing charges, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.chftoo.org or call 702-733-9938 or 1-800-457-8512.	This plan uses a provider network . You will pay less if you use a provider in the plan's PPO network . You will pay the most if you use a Non-PPO provider , and you might receive a bill from a Non-PPO provider for the difference between the Non-PPO provider's charge and what your plan pays (balance billing). Be aware, your PPO network provider might use a Non-PPO provider for some services (such as labwork). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
